*"As a wedding coordinator, I have seen my fair share of vendors. When I saw that my couple was having a live illustrator come in for their wedding I was so excited as I have not seen anything like that yet. What ended up being the true surprise was how AMAZING the illustrator, Inanna, was! Her art is beautiful, elegant, and insanely unique.*

*Every guest and vendor who saw what she was doing was blown out of the water. If her art wasn't enough, Inanna herself was a pleasure to work with. She was very prompt in her responses to me and was genuinely excited and passionate about her work. She is also one of the SWEETEST vendors I have ever worked with. Her service adds an element to a wedding that guests will remember forever. I could not say enough nice things about her and will be recommending her to all my future couples!"*
